Introduction

This booklet provides a list of HealthTeam Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and HealthTeam Advantage's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs plan enrollees. In most cases, your prescriptions are covered under HealthTeam Advantage plans only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. **This list is current as of October 22, 2025.** For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a star to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Central Piedmont: Alamance, Caswell, Chatham, Durham, Forsyth, Guilford, Orange, Person, Randolph, Rockingham, Stokes

including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call member service at 1-888-965-1965 (TTY users should call 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact HealthTeam Advantage.

You can get prescription drugs shipped to your home through our network mail order delivery service.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill service. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill service, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill service, please contact us by logging into MyChart or calling the pharmacy at the phone number located in the directory or on your prescription bottle.

Typically, you should expect to receive your prescription drugs 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-888-965-1965 (TTY 711).
